Subject:- Mysore Motor Vehicles Rules - registration certificates - alterations.

In continuation of my letter No.M.V.761/35 dated 5th Dece 1935, furnishing certain remarks on the draft rules in regard to Public Service Motor Vehicles, I have the honor to state that th form of the registration certificate issued under Rule 3 of the Motor Vehicles Rules has to be altered, to suit the present needs also to provide spaces or cages for the certificates of payment o various taxes under the new Regulation. A form based on the Madr model is prepared and herewith sent up for approval. At the same time forms "A" - "application form for registration", "B" - "regis to be maintained" also require some small changes. Some of these have already been effected in practice and I think the present opportunity may be taken and forms A and B also altered.

After the notification issues, detailed instructions will b given to the Press for the preparation of the new registration certificates in a booklet form as in Madras.

A copy of the Madras form is also enclosed.

SIR,

Subject:- Motor Vehicles Rules - Certificate of Registration - Duplicates.

I have the honour to state that to the form of "C" Certificate which is current now, a rule is appended that a duplicate may be granted on payment of half the original registration fee.

When the draft of the new certificate was sent from this office with my letter No. M.V. 761/35 dated 29-12-1935, this and the other directions about the transfers of vehicles have been omitted. It would be better if this rule enjoining the levy of a fee for the issue of duplicate certificates is inserted under the Mysore Motor Vehicles Regulation as a substantive rule, as in the case of the levy of fees for duplicates of driving licenses (Vide Rule 17).

As after the coming into effect of the new registration certificate the rule about the grant of duplicates of registration certificates will have gone, I request that early action may kindly be taken to introduce a new rule.

I have the honour to be,
